

# Beyond the lines

Carroll Electric exists to serve our members with safe, reliable, and affordable electricity.

## Can you Dig it?

Let's dig right in and tell you what is covered in this edition of *Beyond the Lines*.

- Digging into eServices
- Call 811 to locate underground utilities
- We really dig member participation
- We dug up some great stats

## Bacon & Spinach Quiche

- 6 large eggs, beaten
- 1 ½ cups heavy cream
- salt and pepper
- 2 cups chopped fresh baby spinach, packed
- 1 pound bacon, cooked and crumbled
- 1 ½ cups shredded Cheddar or Swiss cheese
- 1 (9-in) refrigerated pie crust

Preheat oven to 375 degrees. Combine eggs, cream, salt and pepper. Layer the spinach, bacon, and cheese in the bottom of the pie crust, then pour the egg mixture on top. Bake for 35 to 45 minutes until the egg mixture is set.

## Digging into eServices

### + An Extra Reason to Enroll

So many members now use their mobile devices to conduct business and as a resource for information of all kinds. Carroll Electric has convenient electronic services which include:

- paying your bill through eDraft.
- receiving a paperless bill through eBilling.
- managing your account information and usage data through myAccount.

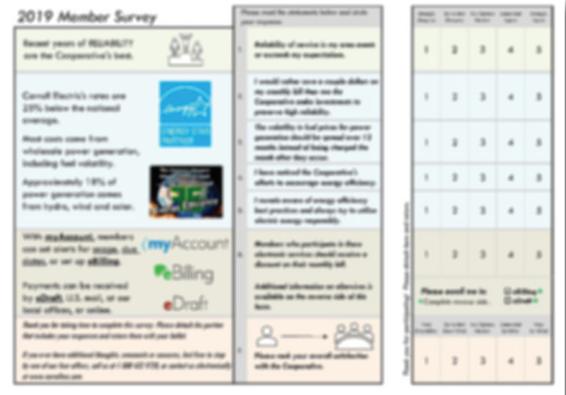

Check out all these eServices at [carrollecc.com](http://carrollecc.com) or call 800-432-9720.

In case you need an extra reason to dig eServices, all members who are signed up for eDraft or eBilling by June 15 are eligible to win one of two prizes: a \$500 bill credit or a \$500 gift certificate toward the purchase of any ENERGY STAR®-approved appliance. Members enrolled in both services by June 15, double their chance to win. Can you dig THAT? Winners will be announced on June 20.

## Member Survey

We really dig receiving feedback from our members! It's not only valuable for setting goals but it also helps us deliver the best possible service to you. That's why your participation in a brief survey is important. The survey is being mailed near the end of April along with the 2018 Annual Report of Carroll Electric and ballot for the election of a director. Please respond no later than May 22.

Last year nearly 10,000 members responded to the survey. Let's get diggy with it and increase participation this year. Thank you!

## We dug into the numbers for 2018 and discovered some great news! Check this out!

The **national** average cost for one (1) kilowatt-hour of electricity was

**\$0.1289**

The **Carroll Electric** cost for one(1) kilowatt-hour of electric was

**\$0.0966**

Carroll Electric members save about

**\$40 a month**

when compared to the national average!

The average **Carroll Electric** consumer uses

**1,230 kWh**  
per month

1,230 kwh  
x \$0.1289/kwh

**\$158.55**

(Average bill using national rate.)

1,230 kwh  
x \$0.0966/kwh

**\$118.82**

(Average bill using Carroll Electric rate.)
